LICK HIGH OPENS TODAY

1000 Students To Begin Classes

A long and cherished dream of East S'de parents and students has finally been completed. Today, September 18, 1950, James Lick High School has opened its doors to approximately 1000 enrolled students.

During the year of 1936 it was decided that a new high school was needed. On Dec. 7, 1948 the people of the East Side chose a board of directors and organized a district consisting of Milpitas, Airport, Orchard, Berryessa, Alum Rock, Mt. Pleasant, McKinley, and Evergreen.

On June 7, 1949, $1,460,000 in bonds was provided to erect a high school under the direction of architect Kress and Gibson. The plans were awarded in February, 1950 to the contractor, O. E. Anderson, for the construction of the school.

The approximate time to be spent on the construction of the building was to be one year to fourteen months. All buildings except the gym and the cafeteria are completed. These are scheduled to be finished in December.

In order to be sure of delivery, all equipment for the classrooms was ordered earlier in the year. Four new buses were also ordered to provide transportation for the students.

The dedication ceremonies will be held later in December when the entire school is completed. "The cooperation received from parents, architects, contractors, sub-contractors, and others in the building of James Lick High is the kind of cooperation which the faculty and students must display in order to make James Lick High School a truly great institution," said Mr. Thomas P. Ryan, District Superintendent.

During the making of the school it was discovered that it could be best completed by eliminating the word "can't". Therefore, the motto of the new James Lick High School will be "There Is No Such Word as Can't."

Students are anxious to meet the faculty. Here they are lined up and determined to make James Lick High a pleasant place in which to study.

Principal Announces Schedule

Mr. Farley has announced the opening day schedule. If students read the following schedule they should have little difficulty with the regular procedure.

A. Open Meeting Outdoor Auditorium 8:30 a.m.

B. Meeting with Counselors to secure class schedule cards, handbooks, specific information.

1. Freshman and Sophomores in Outdoor Auditorium.
2. Juniors in unfinished cafeteria
3. Seniors in Library.

C. Short classes — Go to 1st pd. class when 1st bell rings, second pd. class when 2nd bell rings and etc.

D. All students who do not receive a class schedule card will go to the cafeteria when the 1st bell rings.

E. Bus students only may change schedule after 6th pd. (Buses leave at 10 o'clock.) NON-bus students may change schedules from 2 to 3:30 p.m.

F. Meet in outdoor Auditorium on Tuesday at 8:30.

Bus Service One of Finest

For our convenience and pleasure an efficient transportation system has been set up for James Lick High.

The students have previously been informed as to the time-schedule most convenient for them.

Four new 79-passenger buses at a total cost of $58,000 have been provided. Two of these have baggage compartments. The motor is in the middle of the bus thus providing more power.

These are the latest in modern buses, and we should be very proud of them.

Principal Promises Pleasure and Work

In a recent interview, Dr. Lloyd Farley, principal of James Lick High School, passed the following statement on to the student body:

We have the greatest opportunity ever had by any group of students and teachers. The location of our school, the physical plant, the equipment, and the community support is unequaled. We have the opportunity to make James Lick one of the finest high schools in the State. We can't do this by dreaming only. We must make our dreams come true. It will mean work, and work, and more work, but it'll be a great deal of fun. What is more important, we'll leave a lasting monument for the young men and women of the future. This is a great challenge. I know that you are ready to meet it. I look forward to knowing you better. I promise my full support in your behalf. That doesn't mean that my decisions will always please you but I'll always do what I consider right. I know that you'll give your full support.

I am very proud to be your principal. I know that we'll have an outstanding school year.

Superintendent Sends Welcome

Mr. Thomas P. Ryan, District Superintendant, sent the following message for publication:

Students and faculty of James Lick High:

Welcome and congratulations: Congratulations to all of you who are pioneers in our new institution. Together we shall plan and build to make our student body a united group working for the best educational interests of every girl and boy. Your school will be as great as you make it. Your conduct, cooperation, loyalty, work and play habits are the keynotes upon which we must build.

Together, students, parents, faculty, administration, and school board we shall not fail.

Lets go gang,

Thomas P. Ryan

On Monday, September 18, 1950, the doors of a brand-new school, yet to be completed in some areas, were opened to approximately 1000 students. This was 25 years ago and what has happened in these last 25 years is our concern now as we look back at James Lick High's history.

On that first day of school, the gym and cafeteria were not yet completed and were scheduled for completion in December, 1950.

Flashback

Distributed on that first day was the school newspaper, which then had no name. The tradition of a school newspaper has not faded, as is evident by our periodical, "The Observer."

A big event was the first dance of the year. Shown here are a few of the many dances that took place in our school gym during the first years.

Comet Games Day was another big event of the school year and long hours were spent in the setting up of booths, etc., in the vacancy where the Student Government Center was to be built. The occasion was festive and students came to school in the most exotic costumes imaginable, each trying to outdo one another.

More diversions took place at school when time was set aside for dancing, singing, and bands. Fun was had by all at James Lick High back in the Fifties.

At James Lick's first graduation there were approximately 103 graduates ending their single year at Lick and saying farewell to our campus. Yet, in the years following and years to come, many will pass through the hallways of James Lick High.

"Together, students, parents, faculty, administration, and school board--we shall not fail. Let's go gang."

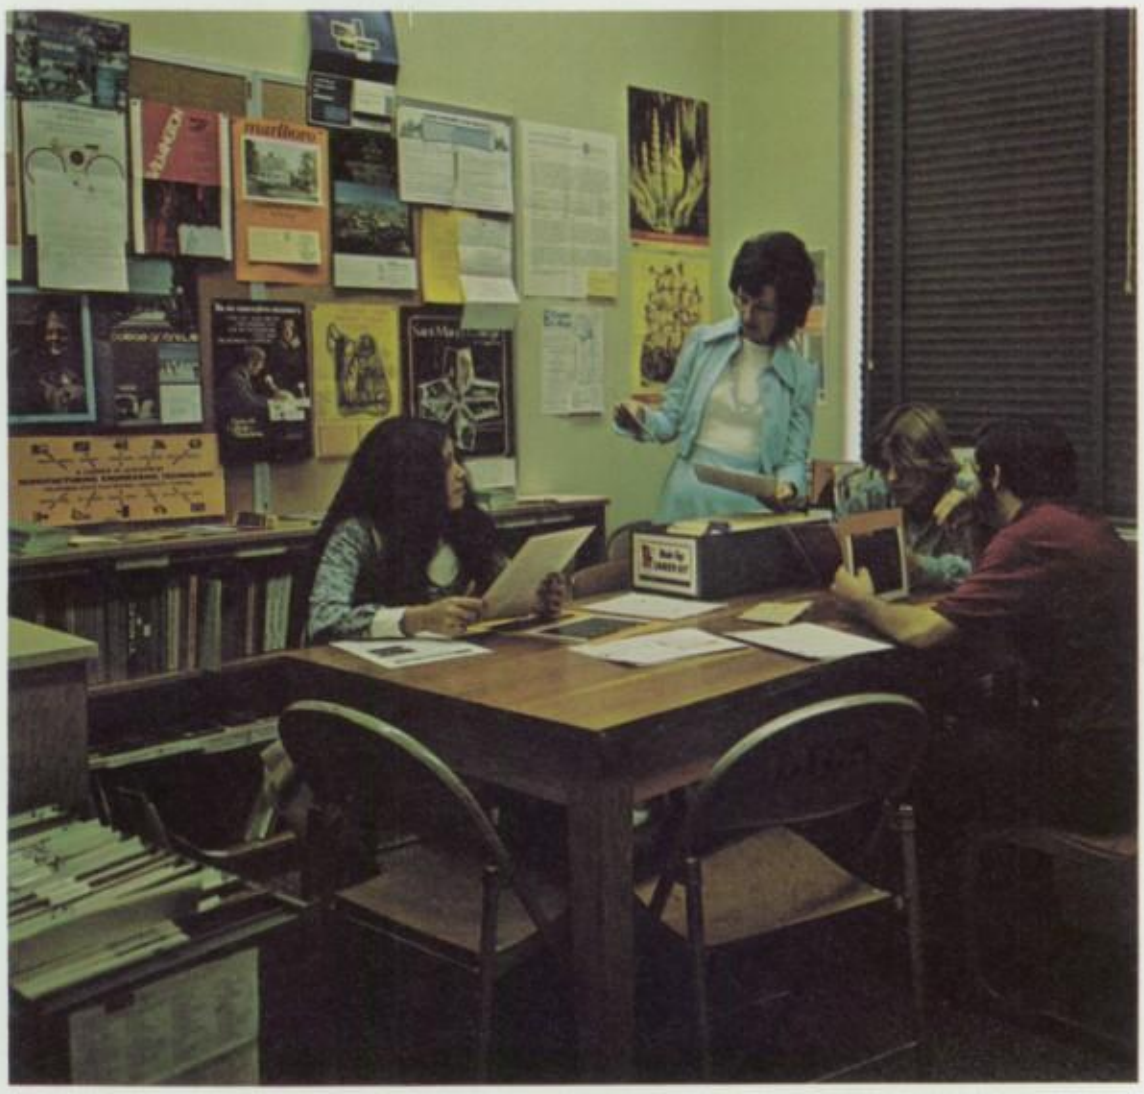
Each morning we awaken to a new day and together nearly two thousand of us unite to form the student body of James Lick High School.

We arrive on campus by bus, by car or on foot to accomplish our major and minor goals.

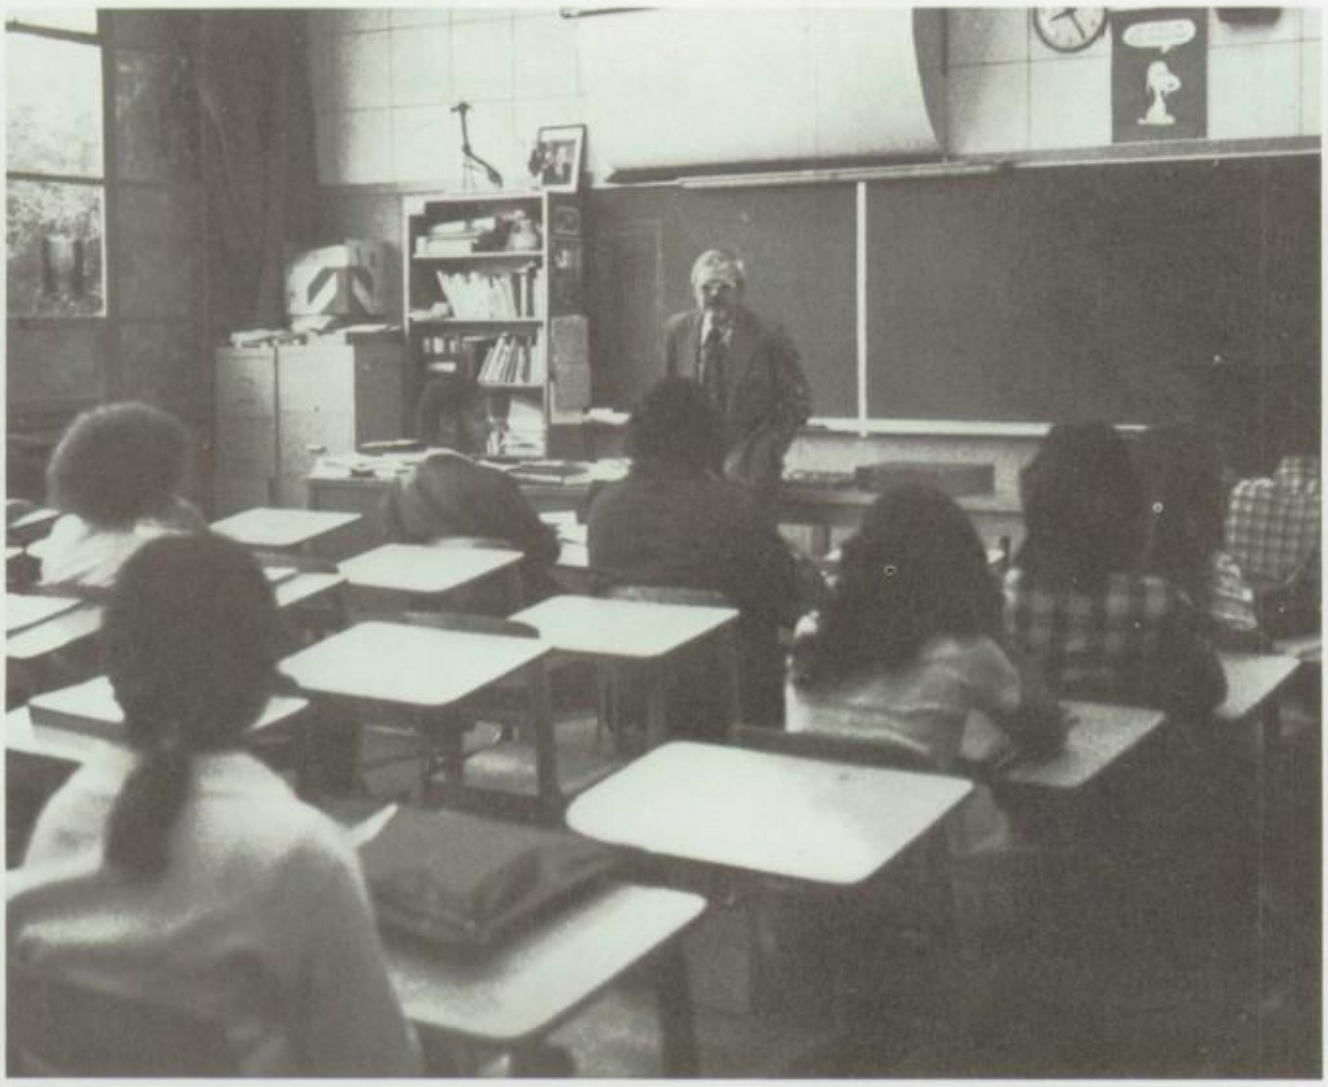
Our goals may be simple or complex—forming a friendship, obtaining an admit card, learning a mathematical theorem.



For twenty-five years our school has been helping us to meet our goals.

The school is a community within a community—a place to educate ourselves and to experience life.

Together we await the bells that order us to each of our classes.



And after those classes we form together in a united effort. For we are many—yet we are one.

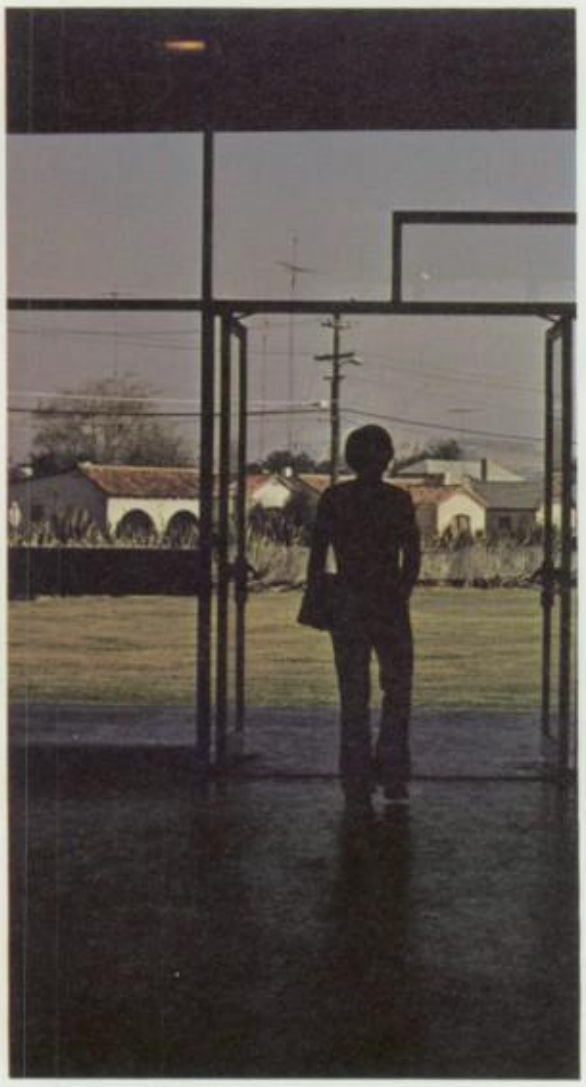
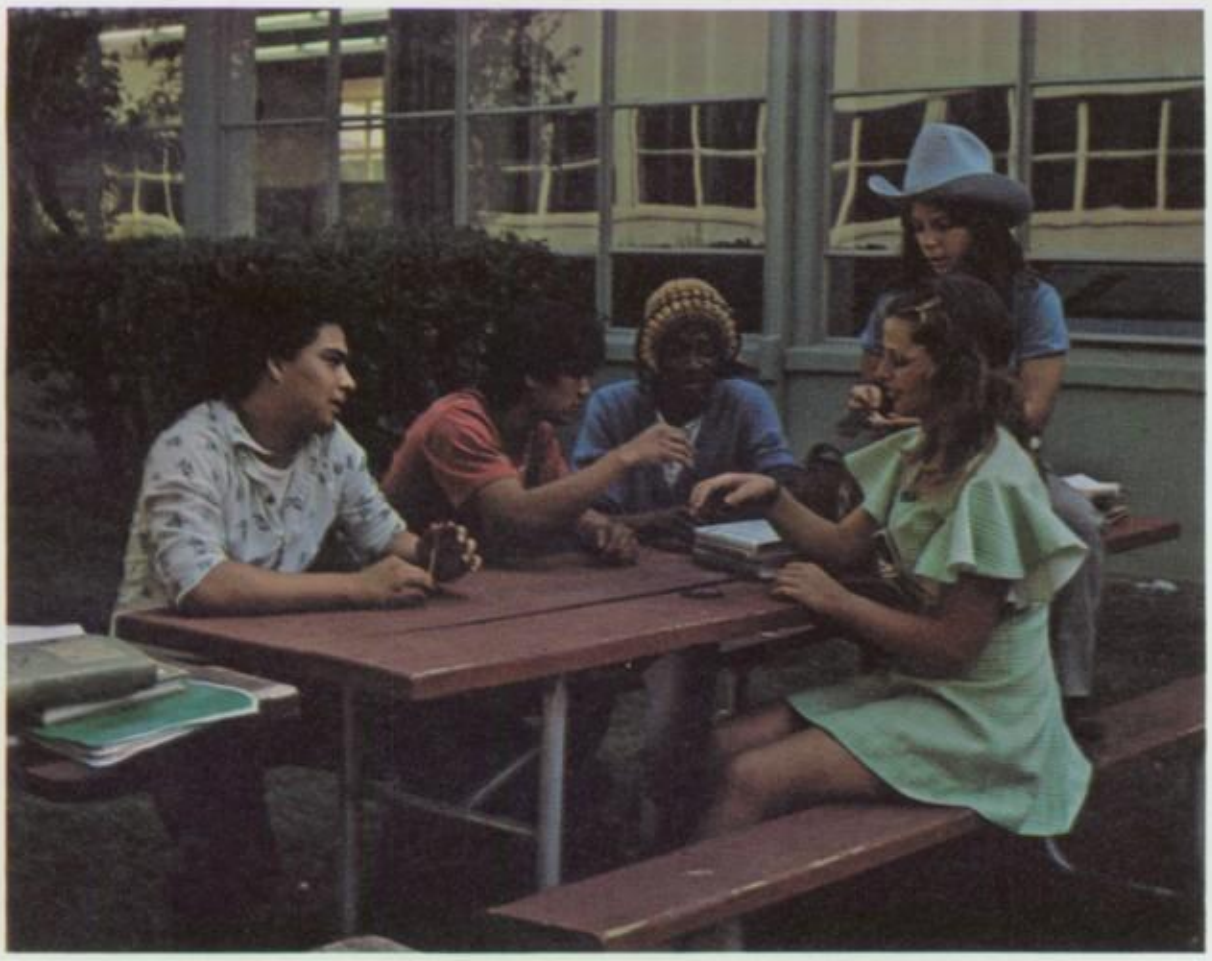
With each other we socialize at our lockers, in the halls, throughout the school.

Very often the machine of human relationships runs smoothly.

Soon we will be leaving
our small community for
a large, open world.





We must congratulate ourselves and each day begin a new life so that our personal goals may become reality. We will be prepared because we have learned to live together here.

VARSITY FOOTBALL

The Comets Varsity Team opened its 1974 season by defeating Gunn in a close, tough defensive game, 14-13.

The second game of the season was a heartbreaking loss to Los Altos, 27-20. The game was a great offensive show with Lick leading until Los Altos scored a last minute touchdown which cost the Comets the game.

Lick played a great defensive game against Mitty, one of the top teams in the C.C.S., but was still defeated, 22-6.

The Comets dropped its game against Yerba Buena, but came back to beat the Overfelt Royals in the Homecoming Game. This was Lick's first league game and the Comets were great on both offense and defense. This was quite an impressive win over the previously undefeated Overfelt team, 32-0.

In the Piedmont Hills game, Lick played well enough to win, but individual mistakes and crucial turnovers caused the Comets to beat themselves, 22-14.

Lick lost to the Fremont Indians in a non-league match by giving up many easy touchdowns.

The Ayer game was a hard fought battle, but the Comets, led by junior, Duane Williams came through to win, 14-6.

Against Milpitas, Lick put it all together. Offense and defense were superb, and the Comets closed the season with a 22-0 win.

Team captains were Mark Mastache, John King, Manuel Palacios, and Duane Williams.

Mark Mastache was MHAL Co-outstanding Lineman, and Duane Williams Co-Most Valuable Player. Comets who made MHAL North Divison First Team include: Gen Ingram, John King, Manuel Palacios, Jim Betts, Duane Williams, Pat Moran, Ron Bistolfo, and Mark Mastache. Comets who made Honorable Mention are: Rick Williams, Bob O'Dell, Rex Yuhas, Tony Castillo, Bill Webster, John Andreoli, Mike Obiols, Mark Dalton, Joel Spencer, and Dave Marcucci.

The Comets were led by returning starters, Dennis Heads and Terrill Jordan, and also William Maxey, Ward Shimizu, and Steve Borello.

Terril Jordan led the scoring, averaging 16.9 points, with Dennis Heads not far behind, averaging 14.6 pts. Dennis led in rebounds,with an average of 9.5 per game. He was especially outstanding in the JLIT, where he carried the bulk of the scoring. Rick Santo, this year's other sophomore, holds a promising future. J.V. Round-up

The 1974-1975 Junior Varsity Basketball Team underwent a building season this year.

Highlights of the season were the upset victories over the strong Overfelt and Mount Pleasant teams.

Even though the Comets did not have an impressive win-loss record, (7 wins, 18 losses) the season was not wasted. Many of the younger and less experienced players gained the fundamentals and experience which should make them strong contenders for the league championship in the years to come.

John Dagnino averaged 16 points per game, while Rudy Salazar led in rebounds averaging 11 per game. Alan Takeda was the floor leader who took charge and was assigned to guard the toughest opponent. Tom Threadgill played good defense and rebounded well.

Team MVP was John Dagnino, and Most Outstanding Player was Rudy Salazar.

This year's Frosh team was small, (tallest man 5'10) but they were seldom outrebounded and never outhustled.

The Comet matmen were extraordinarily successful in achieving championships in the Harbor Holiday Tournament and the Del Mar Classic. The team also took second place in the Cupertino Invitational and third place in the Buchser Invitational. They tied for the MHAL Division Championship and placed fifth in the CCS Region III finals.

Coach Stines has expressed admiration and all-around satisfaction with this year's grappler squad and is looking forward to another successful season in 75-76.

Varsity Swimming

Frosh-Soph Swimming

Eleven eager freshmen and one sophomore will be added to this year's Comet Frosh-Soph Swim Team to help out the three returning lettermen from last year's small team. Along with these new swimmers comes hope for a Frosh-Soph Swim Championship at Lick this year.

The 1975 Frosh-Soph Swim Team has a bright and eager outlook on swimming at James Lick. Every member of the team has the desire and skill to return swimming as a dominant force at Lick in the upcoming years.

Front row: Al Broderick, Matt Wise, Chavez, Paul Leavitt. Middle row: Doug Calvin, Tom Dennis, Scott Goedde, Sy Guiterrez, Marc Chavez, Mike Avilcia. Back row: Coach Butler, Joel Wade, Brian Branagud, David Parasek, Rick Wright, Brian Beck, Coach Colyar.

Swimming Round-up

Another successful year is looked for by the Comet Swimmers. Strong opposition from several schools in the MHAL will put pressure on all members of the team to do very well. With the loss of several graduating seniors last year, the 1975 swim team will have to depend on hard work from all the returning swimmers to make 1975 a successful season.

Senior Bruce Goedde and Junior Phil Prelsnik will be the workhorses of the team, while distance freestylers, Albert Col, John Frost, and Lee Woods will give Lick one of the strongest 500 freestyle groups in the MHAL. David Webster, Gem Murakami, and Dennis Johanneck will add needed points in the Breaststroke events, while Robert Villegas will compete in the backstroke events.

Two sophomores return from the 1974 team to give added depth to this year's team. Utility man Alan Raineri, and Diver, Tom Taylor will give added support to the Comet effort. The Comet swim team two freshmen divers, Dan Diangson and John Null will also compete on the Varsity Swim Team of 1975.

Golf Summary

The 1975 James Lick Golf Team is led by two of the better golfers in the valley, seniors Chris Clark and Dave Gutierrez.

They are followed by Francis Camacho, Tom Lucente, Ed DeAngelo, Mike Wright and Bill Kammerer.

The Comet Golfers began their 1975 season with a 75 stroke victory over Andrew Hill, so the chances of winning this year's league title are very hopeful.

Outstanding player Chris Clark.

Tennis Highlites

The 1975 version of the James Lick Varsity Tennis Team is a young and exciting one. Though inexperienced, this year's team promises to battle Piedmont Hills for the MHAL North title.

Lick has shown real team strength while looking great in non-league matches.

Sophomore Pat Adams has real potential at Number One Singles, while he and Senior Marc Simms, Juniors Kevin Symons and Will Olsson, and Sophomore Jerry Petrick round out the top five singles players.

Seniors Ron Bistolfo and Dave Freitas form a fine First Doubles combination, while John McEwan and John Kogura hold down Number Two Doubles.

Newcomer Ken McEwan has shown great progress, and will play many Varsity Tennis matches throughout the year.

Front row: Coach Rodriguez, Ronnie Cabrera, Charlie Mendoza, Gil Jurado, Mark Mendoza, Gene Ingram. Middle row: Robert Cardona, David Elemen, Richard Tiscarino, Mike Dolcini, Rick Sangetta. Back row: Tony Castillo, Jeff Eredia, Rex Yuhas, Coach Neff, Coach Korbel.

Varsity Baseball

Prospects for the success of this year's Varsity Baseball Team are excellent.

The Comets boast an experienced pitching staff led by senior Rex Yuhas and juniors Charlie Mendoza and Jeff Eredia. Defensively, the team looks solid. Such players as Gil Jurado, Dave Elemen and Ron Cabrera should hold the opposition to a minimum of runs. Gene Ingram, Tony Castillo, and Robert Cabrera are expected to carry the bulk of the Lick batting attack.

In early season play, the Comets were victorious in their first three outings as they defeated Bellarmine 9-2, San Jose High 3-0, and Wilcox 1-0.

Coaches Korbel, Neff, and Rodriguez are impressed with the enthusiasm and dedication of this team and feel the victories will far outnumber the losses.

Lick has not finished any lower than second in the past five years, and this year's varsity team should not be an exception to that trend.

J.V. Baseball

J.V. Roundup

Coaches Dan Walker and Don Pedroni's Junior Varsity Baseball Team is led by returnees, Rick King, Carlos Alferez, and Greg Espino. Transfer students Ernie Durham and Mark Hitchcock are a winning addition to the team. The prospects for the J.V. team appear bright.

Frosh Baseball

Frosh Roundup

This year's hard working Frosh Baseball Team is a good-hitting team and if the team defense holds up we should have a good season. On the pitching mound for the Comets will be Victor Porrovecchio, Rudy Salazar, and John Dagnino. Outstanding hitters include Greg Rolof, Jeff Kong, and Tim McCool.

Bottom row: C. Baker, D. Farris, G. Baca, A. Chavira, E. Garcia, M. Turner, T. McCool, J. Armstrong, J. Dagnino. Top row: Coach Caprino, G. Rolof, M. Lovelace, R. Lozano, R. Salazar, F. King, P. Marquez, R. Reed, V. Porrovecchio, J. Kong, Coach Jaffa.

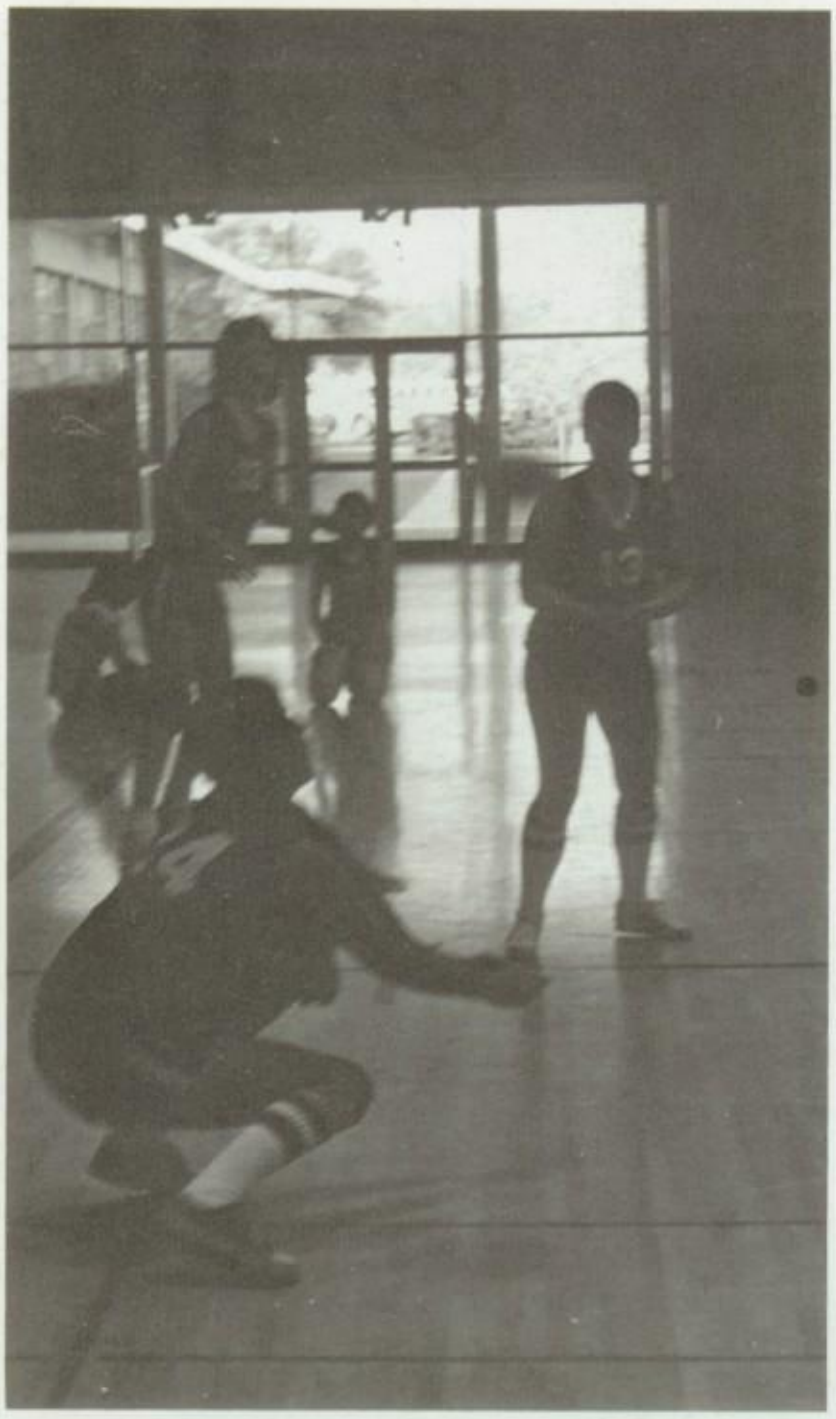
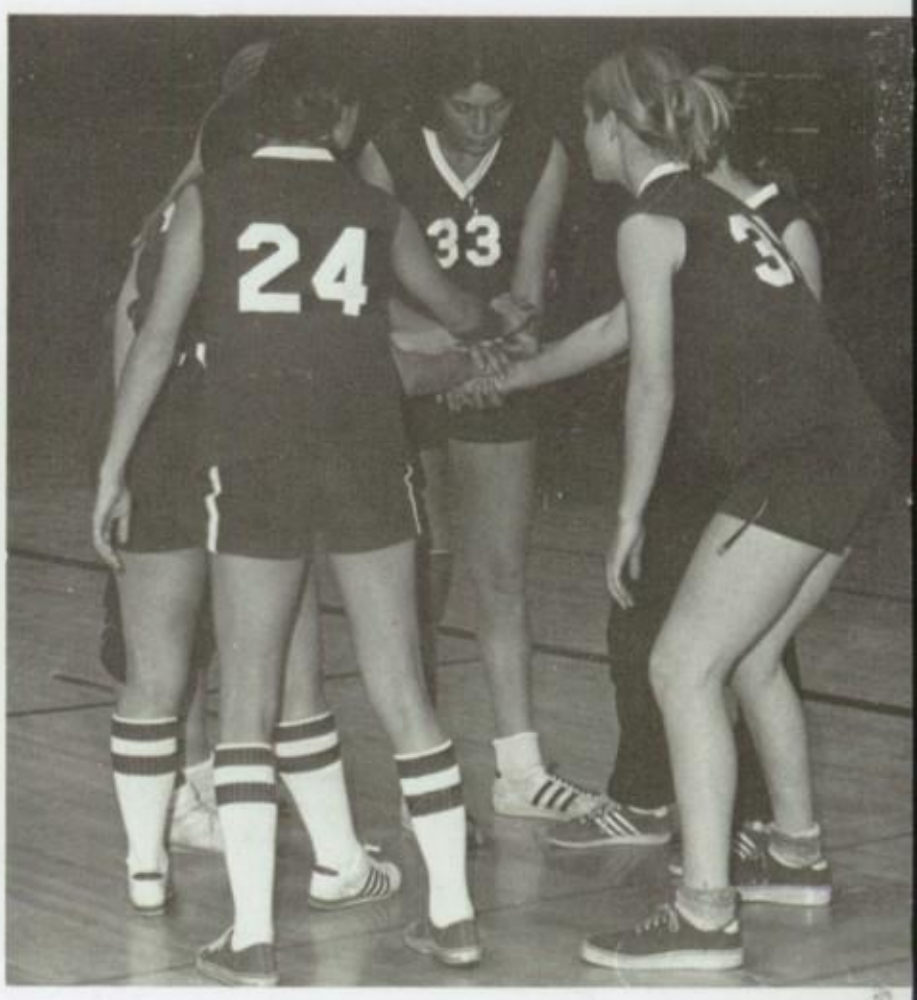
This year's Girls' Softball season looks promising. We have a young team with only three team members returning from last year. Varsity team has nine freshmen amongst themselves. The team looked good against Milpitas.



Coaches evaluate play.



"The unique element about this year's team is teamwork . . ."

The Girls' Sports Varsity Volleyball team had an outstanding season. Although they did not take the championship, they posted the best win-loss record in the school's history. League officials rated the Lick team one of the top teams in the MHAL. The unique element of this year's talented varsity is teamwork. Everyone is equally outstanding with their desire to win. The team was made up of seniors Diane Baylock, Cindy Urata, Lia Bruno, Lorraine Rossetto, Laura Torres, juniors Tina Hamilton, Toni Polito and sophomore Jenny Lewis.

The Junior Varsity also had a fantastic season. Except for two heart-breaking losses they beat all other opponents and earned an admirable second place in the league. They were led by junior Linda Blaylock and the steady playing of team captain Kristie MacDonald.

Badminton

The James Lick Girls' Sport Badminton Team won the district championship last year and with the majority of the varsity players returning this year the girls will hopefully reign as district champions again this year. The Comets are led by senior Lorraine Rossetto whose smashes and drops can devastate any opponent. Lorraine is backed up by the steady and often outstanding play of senior Barbara Berry and sophomore Jenny Lewis. Although it will take a great deal of hard work to maintain our superiority in the league, the girls are very eager and willing to work in order to bring the championship to our high school again.

Girls' Track

Elaine Dale, Gloria Barron, and Shelia Fohrman practice.

Track Prediction

Returning from a two year lay off, the girls sports track team anticipated a very productive year. Headed by first year coach Miss Gloria Barron, the girls practiced long and hard to make a good showing for Lick's first year of CIF competition. The 880 run, 80 yard hurdles, 100 yard dash, high jump and discus provided extreme challenges to the novices and veterans alike.

POSTSCRIPT

Preparing the largest annual for James Lick High School has been a long, often difficult, experience. Although not always a pleasant experience -- production was always a learning experience. Our goals may not always have been reached but the ARGUS staff always did its best.

I wish to thank those of my staff who carried on responsibility. I would also like to thank Advisor Roy Gilligan, Photographers Ernie Umemoto, Katherine Milo, Procopino Calado, and Bill Hoff. Also I extend my gratitude to Yearbook Representative Don Wilson. Lastly, I wish to thank my parents and friends who helped and gave me encouragement when times were not always bright.

I hope we have produced a yearbook which represents the peoples of James Lick High School. In the future years this book will be a reminder of the past; I hope we have produced a yearbook of which we can all be proud.

Sincerely,

Leland Espinosa
